

M Allocation of Resources Without Limits or Throttling

SNYK CODE | CWE-770 ¹⁰

SCORE
750

```
16 app.get('/public/script.js',function(req,res){
17   res.sendFile(path.join(__dirname + '/public/script.js'));
18 });
19
20 app.get('/public/calculator.js',function(req,res){
```

This **endpoint handler** performs a **file system operation** and does not use a rate-limiting mechanism. It may enable the attackers to perform Denial-of-service attacks. Consider using a rate-limiting middleware such as express-limit.
